# Company Overview

---

In competitive business era, Tropikal Jaya is a trusted export partner. We always provide high quality products with a strong commitment in order and shipment to perform excellent service. Integrity and responsibility are the core of our business activities. We understand the importance of professionalism and fairness in every transaction.

Besides focusing on product quality, we also operate our business with high social and environmental responsibility. With Tropikal Jaya, you get a business partner who is ready to help you achieve success in international trade and create a sustainable positive environmental and social impact. We look forward to working with you and experiencing the services that we offer as a qualified exporting partner.

# Vision

To be a reputable top-performing exporter from Indonesia, always delivering the highest quality and excellent commitment, creating business relationships and international cooperation with integrity, and making a positive global impact on environmental and social sustainability.

## Missions

01

### Product Excellence

Providing the finest quality products to meet the expectations of our international buyers.

02

### Unwavering Commitment

Ensuring timely delivery, quantity precision, and excellent customer service as our ethic of commitment.

03

### Integrity Driven

Conducting business with honesty, responsibility, transparency and fairness, and developing trust in our international partnerships.

04

### Environmental Stewardship

Implementing sustainable practices in our operations to minimize our environmental footprint and contribute to a greener world.

05

### Social Responsibility

Actively engaging in initiatives that promote social well-being, providing benefits to local and global communities.

# Why Us ?

---

## High Commitment

We are highly committed to our customers in working on orders and shipments. This value is key to maintaining customer satisfaction and retention. We will always be there to fulfill their needs.

## High Quality

For us, product and service quality is the primary marker of excellence. With a focus on the best quality, we build customer trust and a strong reputation by maintaining the best quality possible.

## Strong integrity

A business with integrity offers a stable foundation for all business interactions. We build strong and honest relationships with our business partners.

By maintaining quality, high commitment, and doing business with integrity. We open opportunities for growth and sustainable success with our business partners. These values are a great foundation for establishing successful business relationships and maintaining excellence in the competitive market.
